

BBNC Contribution Guidelines

Bristol Bay Native Corporation (BBNC) provides small donations and contributions to a number of organizations throughout the year. We focus our attention on those entities that provide benefit to the greatest number of BBNC shareholders and descendants as possible and to those efforts that enhance our Native way of life.

Donations are generally made to 501(c)3 non-profit organizations. We do not fund individual people. Although BBNC discourages multiple requests during our fiscal year (April 1 – March 31), if you plan on requesting funds multiple times during the year, please contact us well in advance to discuss your annual funding plan.

If your organization provides benefits or has impact on shareholders and descendants of Bristol Bay Native Corporation, we encourage you to contact us. Ultimately, the Shareholder & Corporate Relations Committee of the BBNC Board of Directors governs these guidelines and reserves the right to make any exceptions.
